A Deeper Understanding

At SUA, our sole purpose is to meet the property and casualty insurance needs of specialty market niches. Our unique, market-focused approach gives us greater insight into the issues facing the markets we serve, thereby allowing us to provide the coverage and products that best meet their needs.

Though the number of markets we serve is constantly expanding, we currently offer property and casualty insurance to the following business segments:

- ◆ [Alternative Staffing](#)
- ◆ [Construction](#)
- ◆ [Public/Not-for-Profit Entities](#)
- ◆ [Small Business](#)
- ◆ [Transportation](#)

Learn about the best-in-class **Partner Agents** we work with to provide our superior programs.
