Employers

At Therapy Placement Services we know that every employee is important to the success of your facility. That's why we specialize in providing you with qualified candidates with the expertise, attitude and vision that fits your unique needs.

We have a large and constantly growing pool of thoroughly screened and interviewed clinicians in the following specialties:

- Physical Therapy
- Physical Therapy Assistant
- Occupational Therapy
- Certified Occupational Therapy Assistant
- Speech Language Pathology

Whether you're looking for permanent, part-time or traveling staff, we are committed to meeting all of your staffing needs.
