APPLICATION DESCRIPTION

Stuck on a long flight with a terrible in-flight movie? Want to get your brain bubbling on a cross-country road trip? Cramming for a big Lord of the Flies test on your walk to school? Prepping for a final while waiting in line for your fourth cup of coffee?

Shmoop's Lord of the Flies analysis is everything you need to dig into and better understand the book for your upcoming class, paper, test, book club meeting, whatever. Our content goes deeply into the who's, what's, when's, where's and why's of the book. It is written for today's student and the life-long learner alike in an edgy and smart tone and is anything but boring.

Take the built-in Quiz-o-Rama as a pre-test review or just for kicks. Gain fame and glory by climbing the ranks of the leader board. Then, challenge your friends to join the fray and match their wits against yours.

Shmoop writers are primarily from Ph.D. and Masters programs at Stanford, Harvard, and UC Berkeley. Many of our writers have taught at the high school and college levels. We hold ourselves to the highest academic standards. We source and cite our work so teachers and students can feel confident when using and when citing Shmoop as a source in essays and papers.

Key features include:

- Story overview and chapter summaries
- Analysis of important quotes
- Plot analysis
- Character analysis
- Themes and how they come into play in the story
- Study questions to inspire thought and debate
- Quiz-o-Rama to test your knowledge and challenge your friends (via Facebook Connect)
- Top 10 High Score leader board to see how you rank
