

Image & Safety SolutionsSM For Uniforms And Facility Services As Unique As Your Business

Customers Prefer To Do Business With Employees In Uniform

- Independent research conducted by J.D. Power and Associates® found:
 - 58% of customers feel uniforms enhance the perception of service or product quality
 - 70% of prospective customers are more likely to buy from an employee in uniform
 - Over 50% of those surveyed believe uniformed employees are more credible and trustworthy
 - 83% say employees in uniform are more recognizable
- Uniforms also help identify what role employees play in a business, making it easier for customers to seek out the right employee.

Uniform And Facility Services Solutions For *Image That Works*SM

- Uniforms ensure a positive first impression.
- Customized logo mats greet visitors with your brand and company image.
- Uniforms build teamwork and enforce your company's image.
- G&K offers industry leading innovative facility services programs, including PURELL® touch-free restroom solutions, and microfiber technology.
- G&K will work with you to create a look and solution that works for your company and your employees.

You only have 3 seconds to make a first impression.

Employees Embrace A Company Uniform Program

- Uniforms improve employee morale, self esteem, and employee retention.
- In businesses with uniforms, employees have a greater sense of teamwork and commitment to corporate goals.
- Employees save time and money with corporate uniforms by not having to purchase and care for their own work clothes.
- Providing employees with uniforms tells them that you take pride in the job they do and the way they present themselves.

Uniform And Facility Services Solutions For **Safety That WorksSM**

- A comprehensive mat and uniform program can increase safety, improve productivity, and reduce the risk of injury, lost time, and insurance claims.
- Uniforms help customers feel secure, knowing they are dealing with employees of your company.
- G&K has specific uniform and facility services solutions in place to help decrease employee absenteeism, by reducing the spread of germs.

Innovations That Build Both Image And Safety

- The GK ProTect[®] safety solutions offer flame resistant products that protect against flash fire, arc flash, and other hazardous conditions, as well as high visibility garments ideal for dangerous work zones.
- Our patented ProSura[®] food safety solutions program mitigates cross-contamination and supports HACCP plans.
- G&K's unique BioSmart[®] antimicrobial textile technology improves safety by continuously killing 99.9%* of germs throughout the workday.

** Laboratory conditions using AATCC 100 test method
BioSmart[®] is a registered trademark of Milliken & Company.*

For Customer Facing And Industrial Areas

Restrooms

- G&K offers two restroom lines, one for the front office and a more economical line for the production areas.
- G&K's exclusive restroom line lets you upgrade your restrooms with contemporary style and state-of-the-art technology.

Skincare

- G&K's multi-purpose, heavy-duty hand cleaning products offer a cost effective way for your production area employees to fight grime and grease.

Uniforms

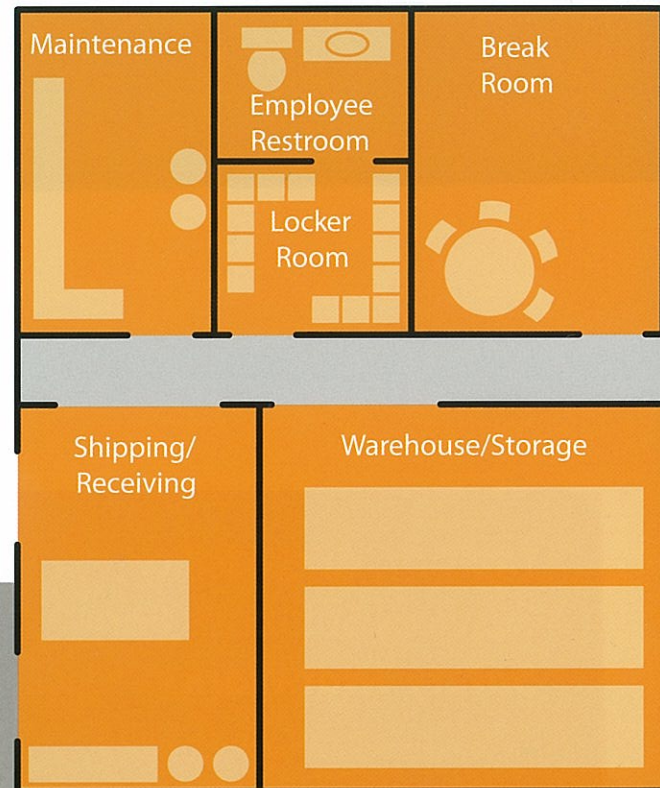

- We provide uniform programs that have different styles and types of apparel for front office and back office employees that combine image and safety.

Mats

- G&K's wide selection of floor mats reduce the risk of slips and falls and enhance your company's image.

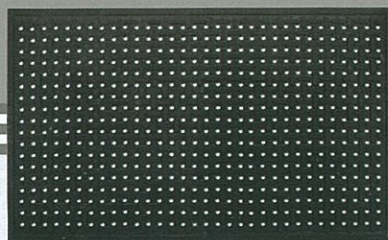

Mops

- Our light-weight microfiber mops and antimicrobial wet mop systems make it easy to clean floors and improve safety.

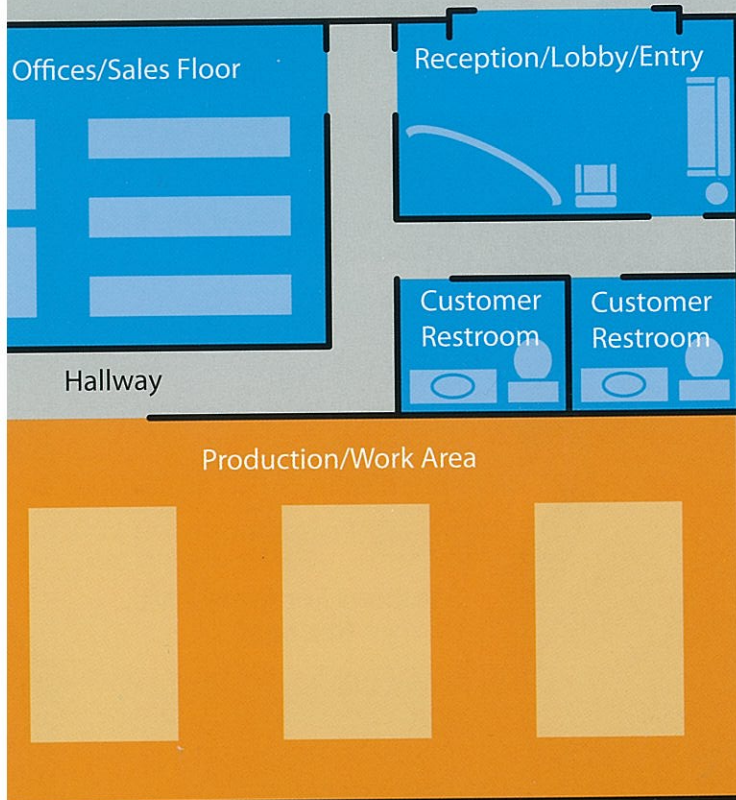

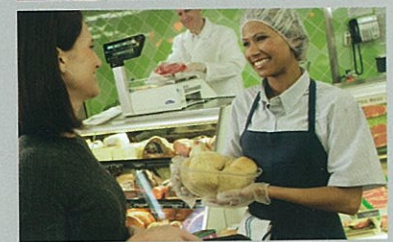

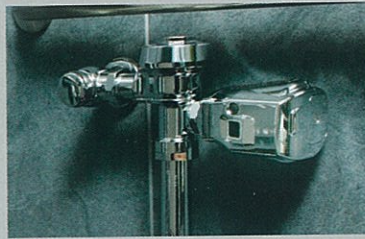

Non-Customer Facing Solutions

- Apparel options, such as industrial pants, shirts, coveralls and outerwear
- Facility services options, including anti-fatigue and safety mats, microfiber mops and the industrial restroom line.
- Personal protective equipment consisting of hard hats, earplugs, gloves and safety glasses.

Customer Facing Solutions

- Apparel options, such as oxford shirts with logos, polo shirts and khaki pants.
- Facility services options, include logo mats, PURELL® dispensers, auto-flushing systems and the Décor restroom line.
