Vision

No matter your age, and no matter your skill level, the Boulder County Force empowers you to become a superior soccer player. With teams that service all age groups and all levels of play, we enable our players to compete at their highest potential - from their first soccer experience through the rest of their lives.

Beyond specific skills, our organization instills traits in our players that are useful long after the last whistle blows. Character. Sportsmanship. Discipline. Fitness. Achievement. And winning and losing the right way.

Whether you're an 5-year-old child or middle-aged adult, you'll count your experiences with the Boulder County Force as an indelible part of your life. And you'll acquire a love of the game - for all the right reasons - that will last your lifetime.

Values

Community

Across multiple levels, a strong sense of community is what drives our organization. We are rooted in our local community - here to serve greater Boulder County. We are also part of the global soccer community, working to become a stronger voice within it every year.

And most importantly, we are our own community - connected by a common purpose, an intimate camaraderie, open communication, and the shared values that shape our every move.

Character

Every drill, every practice and every game has the building of character as a driving objective. This is the one trait that we demand that all our players embody. For us, character means possessing not only the will to win - but also the discipline. It means putting the team before the individual. And it means that whether we win or lose, we do so with honor and respect.

Passion

Put simply, we love soccer. And we love all that it stands for. Our passion filters through every aspect of what we do - apparent both on and off the field. It makes us relentless in the pursuit of all our objectives. And most importantly, it keeps our club fun.

Achievement

We are a results-focused organization. For us, it's not just about the efforts we make - but also about the final outcome of those efforts. We are our own toughest critics, constantly looking for new ways to achieve the results we want. For us, the concept of winning is multi-faceted. There is the critical component of winning on the soccer field. As important, building character, developing superior skills, gelling our teams, and instilling a love of the game in each of our players, is also critical to how we approach winning at the Boulder County Force.

Recreational & Developmental Academy

Recreational Soccer Program (K-8th Grade)

Recreational soccer is a fun way to be active, enjoy playing on a team and learn the basics of soccer in a fun and community-oriented environment. The Force offers recreational leagues for K-8th grades. Teams play in the fall and/or spring. Our goal is to provide every child the opportunity to play soccer in a FUN, organized and inspiring environment.

Developmental Academy (Under 9 and 10) & Pre-Competitive League

A positive and fun soccer experience with appropriate soccer development opportunities for EVERY player within the context of the Force coaching philosophy. Each player is trained by Force Pro Staff Trainers twice a week with a goal of inspiring and preparing young players to eventually participate in the Force competitive program. Players participate in twice a week training in a “campus” setting. Training incorporates weekly small sided games to optimize touches on the ball and develop age appropriate game awareness. The Developmental Academy is committed to the individual. Five subjects will be covered over the course of the season. A variety of games and drills with an emphasis on fun and individual improvement will be used to cover these subjects.

1. First touch/ Ball mastery
2. Passing and receiving
3. Defensive 1 v 1 tactics
4. Finishing (shooting / scoring)
5. Creativity
