Description

Hey, we used it! Congratulations, Stephen Colbert, for winning our global election. We raise our eggnog to you (and it has a lot of nutmeg!)

Original Description

Here at the North Pole we don't have political leanings, but we've heard rumors that you all are having an election, so we wanted to play along! We thought we'd leave the name of the tree up to all 300 million of you gas-price-watching freedom lovers. We've limited the choices

What would you rename our
