

**DIRECTIONS:**  
Shake Well Before Each Use.

**FOR TREATMENT OF EXTERNAL SKIN DISORDERS:**  
Wet animal thoroughly and apply sufficient BATH to lather well (apply straight or dilute with one or two parts water, depending on length and density of coat). Massage in well. Allow ten minutes contact time and rinse completely. Repeat bathing semi-weekly or weekly. For best results, apply Vet Classics Skin Care LOTION daily according to directions until conditions are under control.

**ROUTINE AND GROOMING USE:**  
Apply as directed above except contact time may be shortened. Bathe monthly or as needed.

**100% MONEY BACK  
GUARANTEE**

# Skin Care BATH

## For Problem Skin

- Hot Spots • Sores
- Dermatitis • Rashes
- Flea Bites • Dry Skin
- Skin Allergies

Relieves Itching  
Deodorizes

**Available Through Veterinarians Only**

**8 FL. OZ. (240 ML)**

**FOR DOGS, CATS AND HORSES  
OVER 6 WEEKS OF AGE.**

Helps relieve itching due to skin problems that may be caused by hot spots, flea bites, rashes and skin allergies.

Regular bathing with our Skin Care BATH, plus the use of Vet Classics Skin Care LOTION on all areas where inflammation, hair loss or sores are evident, will provide relief from the intense itching of bacterial skin infections. In addition, it is a very effective deodorant shampoo and an excellent grooming aid. Provides thorough cleansing action and removes dirt without stripping natural oils. Rinses easily and helps to control static electricity ("fly-away") coat.

**FOR EXTERNAL USE ONLY  
KEEP OUT OF REACH OF CHILDREN**

**CONTAINS:** n-Alkyl (50% C14, 40% C12, 10% C16) Dimethyl Benzyl Ammonium Chloride 1.0%, Cetyl Trimethyl Ammonium Bromide 0.1875%, Ethanol 0.35% in a compatible surfactant base.

Item #33332002
