

PAPOOSE / Lightweight for spring/summer

Effortless and essential protection from wind and rainy days

NEW

Unpredictable spring/fall weather... no longer a worry!
Zip up or open out the new 7 A.M. lightweight bunting

Breathable & waterproof

Opens up for easy access...

"I love how it easily converts between a bunting and stroller liner, when the wind and rain arrives it can be zipped up and the child is protected in no time!"

Mother in Brooklyn, NY

7 A.M. have now introduce a lighter-weight bunting for spring/summer use. Protecting from the wind and rain of the warm spring days, the Papoose has the 7 A.M. renown comfort and design that allow parents to stroll whether at LA beach or running daily errands.

With a soft cotton, plushy feel lining, and a waterproof outer-shell, this sporty looking bunting is the new must have stroller accessory.

Featuring a front full-length zipper plus hook and loop bottom openings, allowing it to be converted to a soft stroller liner. With great access and an elasticized hood ensuring the child is fully protected, the Papoose's minimal design outlines clever and practical 7 A.M. classics!
