

Intrado® Advanced 9-1-1SM JumpStart™

JumpStart Your Next-Generation 9-1-1
Capabilities with this Special Offer.

Intrado announces the Advanced 9-1-1SM (A9-1-1) JumpStart— a simple, fast and cost-effective solution that puts you in control of your next-generation (NG) 9-1-1 strategy.

For more than 30 years, you have depended on Intrado to manage 9-1-1 call routing and caller information for your emergency communications center. Now, trust us to help you make the jump from 9-1-1 voice calls to NG 9-1-1 text, voice, video and data. Begin your transition to NG 9-1-1 and better meet citizen expectations by implementing Intrado's JumpStart offer today.
