Our Services

Mint Dental Works is a progressive cosmetic, restorative and preventative family dental practice. We provide our patients with the most comprehensive dentistry available in a comfortable state-of-the-art facility the planet can be proud of. Our services are designed to maintain the health of our patients' teeth, improve their overall oral wellness and provide beautiful smiles. Our team works to empower patients with the knowledge necessary to make educated choices about their dental treatment options. We also understand that for many, a trip to the dentist can be a source of anxiety. With this in mind, our team has a variety of tools available to help put our patients at ease including massage, movies, music and sedation.
