

About Nick Vertucci

[Nick Vertucci](#) is the founder and CEO of The Nick Vertucci Companies, Inc in Irvine, California. As a full time professional real estate investor who specializes in purchasing bank owned properties, Nick helped develop a professionally managed, "Turn-Key" investment system to assist other investors in purchasing, rehabbing and renting banked owned properties. He has extensive knowledge of and experience in developing single family homes.

Prior to his career as a professional real estate investor, Nick founded and served as President and CEO of Coastline Micro. With over 100 employees, Coastline Micro was an industry leader in providing businesses with computer systems nationwide. Although he is not currently involved in the day-to-day operations, he continues to hold ownership interest in the company. Nick travels throughout the United States as a professional trainer and mentor to both novice and veteran Real Estate Investors.
