

JOIN THE PAYMENT REVOLUTION

MEET CLIP

Clip enables anyone to accept card payments, at any time, and any where by turning your smartphone or tablet into a card terminal. Complete an easy sign-up process in less than 5 minutes and receive a free card reader.

We protect your business with military-grade encryption and ClipLock Technology.

Anyone can signup in less than 5 minutes. We have a whole team dedicated to your business.

Works with iOS and Android devices.

Clip accepts all major credit cards.

RESELLER

Already working with Merchants? We can help your merchants with payment acceptance with minimal effort.

Your App + Our SDK = Simplified Payment Acceptance for your merchants.

Email us at reseller@payclip.com

DEVELOPER

Be the first to use our API's - let us know your use cases so we can work on exposing the right API's first.

Email us at developer@payclip.com

PHILOSOPHY

Our mission: we allow people and businesses to exchange value and develop enduring relationships in a simple, fast, safe, socially relevant and more beautiful way.

We believe that customers always come first and take pride in providing you with exceptional customer service.

We believe that payments should be liberating and simple; our tools help you do what you love and we do the rest.

We value integrity above everything else we do.

We believe in empowering individuals so they can achieve economic freedom.

ABOUT

ADOLFO BABATZ

MBA, MIT and B.A., ITAM

VILASH POOVALA

Adolfo is the co-founder & CEO of Clip. The company is based in Redwood City, California and Mexico City. Before Clip, Adolfo was responsible for Customer Engagement for PayPal LatinAmerica. Before moving into the product team Adolfo led the team that opened PayPal in Mexico.

Right before PayPal, Adolfo studied his MBA at MIT where he specialized in Entrepreneurship & Economics of Information. Prior to MIT, Adolfo was part of the founding team at The Carlyle Group Mexico where he worked as

an analyst. Before joining Carlyle, Adolfo worked as an advisor for the Executive VicePresident of GrupoDesc, one of Mexico's largest industrial conglomerates.
