

MR. ROOTER PLUMBING

Total Drain™

DIRECTIONS FOR USE: Apply Total Drain™ to slow drains.

RESIDENTIAL:

SLOW DRAINS: Apply 1 capful per day directly into each slow drain for 5 consecutive days or until drain flows freely.

PREVENTATIVE MAINTENANCE: Apply ½ capful per month directly into each drain or as needed.

SEPTIC SYSTEMS: To help septic systems working correctly, pour ½ gallon directly in the toilet and flush. Product is best applied directly after septic system has been pumped. Add ⅓ capful once per week thereafter.

COMMERCIAL:

SLOW DRAINS: Apply 2 capfuls per day directly into each drain for 5 consecutive days or until drain flows freely or as needed.

PREVENTATIVE MAINTENANCE: To keep drains clear and free flowing, apply 2 capfuls per week directly into each drain as needed.

ACTIVE INGREDIENTS: Bacteria cultures.

Total Drain is produced using the power of mother nature to keep drains free flowing. *Total Drain* works to eliminate problem causing organic in all household drains.

KEEP OUT OF REACH OF CHILDREN!

EYES: Flush with sterile water for 15 minutes.

SKIN: Wash with soap and water.

INGESTION: Drink several glasses of water. Consult physician.

INHALATION: Move to fresh air.
