You just have to put yourself out there.  
There's no guarantee it'll work out  
But there's also no guarantee that it won't.

**Serene Lindhorn** When it says 'ladies: coming soon' does that mean you'll have another version out also? If so, I'll wait for the ladies version---but would like a medium black tank with white logo when you have one available. I can pay/pick up whenever I see you to avoid you needing to ship, etc.
