Kids of all ages and their parents can enjoy this and vary the play to make it different each time.

In fact, they play it anytime they notice it in the car, even on the way to the grocery store.

### Travel Bingo Cards

By [Donna](#) on July 24, 2008

**Verified Purchase**

Sliding covers mean no pieces to get lost in the car. They are dull neutral colors, not the pretty vibrant ones shown, so that was kind of disappointing. But the kids don't know the difference and they really enjoy playing. They also have learned some new farm/country terms, as they are city kids.

### Great Idea, Good Design, But Items Aren't Current, So It's Tough to Play

By [MountainTopMama](#) on November 21, 2013

This could be fun, but the items in it are too "old-fashioned" if that makes sense. We played it on a road trip from TN to FL and had a really tough time getting a bingo out of any of the cards.

The design itself is good – the sliding covers worked pretty well (my four-year-old needed a little help at times), no little pieces that could slide off, and the pictures were pretty clear. So that's good. But the point of the game – the get a bingo – was nearly impossible to do.

I'd say it helped kill about 30-45 minutes on a 10 hour road trip. If it had been the LAST 45 minutes, I would've given it 4 stars. ;) But it ended up being kind of boring for my kids. I wish we'd gotten this one instead: [Orange Interstate Highway Backseat Bingo](#)

I enjoyed these growing up and now my kids are. They love them and they really do come in handy over a long period of time in the car.

**Broke Quickly**

By [M. Randall](#) on October 28, 2013

**Verified Purchase**

My kids played this game one time, I stored it in the center console of my car, and when we went to play it again, most of the red sliding tabs had stuck open and I wasn't able to get them closed again. It will take me a lot more time and energy (and possibly a knife) to pry those little suckers closed. Not worth it.

**Classic travel bingo**

By [a Virginia mom](#) on June 26, 2013

**Verified Purchase**

Not only to the colors vary, but the type of card varied. I got two auto bingo and one road safety bingo. It didn't work so well with 3 players because the roads traveled were not suited to both types at the same time. It didn't take long to figure out which card would win on a given road (A good fight starter -- if that's what you are looking for on your road trip!) Order more than 3 if you have more than 2 kids, or if you want to play along.

**Great for Family Trips!**

By [E. Kennedy](#) **TOP 1000 REVIEWER** on April 19, 2011

Playing I-Spy in the car is fun but this makes it a little more organized. I love these Roadtrip Bingo cards! I've played with adults and kids and they're fun no matter what. This set comes with three. There are different cards that each have slightly different items you're looking for so once someone wins you can switch cards and start over again without getting bored! I highly recommend these for anyone who has a car trip coming up.

**Must have on long trips**

By [Dena121](#) on December 13, 2010

**Verified Purchase**

I have teenage stepkids, this was the first cross-country trip they had ever been on, I was looking for things to keep them entertained, this was the best game! I gave prizes at every gas stop for whoever got the bingo of my choosing first, worked like a charm!!! We went on small trips while on vacation and they were calling out bingo slots! It was well worth the 5\$ spent!!!

**Needs update**

By [LuvND](#) on October 8, 2013

**Verified Purchase**

These cards are good for entertaining and interaction while in the car, good way to get a break from electronics and pay attention to our surroundings, but they need to be updated with items that are on the road today.
