### Recipe for Success... the Team Elliott Way!

Take fifteen people who have traveled their chosen path of expertise. Mix in highly researched and prepped content; add iPads, laptops, music, art, and fitness.

What do you have?

If you are Team Elliott Education, you have all the right ingredients to engage over 6,000 seniors a month in an innovative, interactive, integrated and dynamic lifestyle program which promotes intellectual participation.

Let us explore possibilities of how to bring the energy, ability and

### Bears to Share

Bears to Share is a charitable effort of providing teddy bears to our community's emergency personnel, for use during challenging situations and emergencies involving children.

Teddy bears can offer comfort to children and help responders calm tender hearts.

Call 407-257-2302 to donate!

### What They Are Saying

"I heard them singing once then twice... then again and again. I heard them sing last night. The blending, the unity of voices, the unity of purpose, the unity of minds and hearts~ that is what COMMUNITY is all about. Their eyes sparkled, their voices soared, their bodies swayed, they smiled and giggled and laughed once again... This is therapy and healing in action!"

We ought to have TEAM ELLIOTT in every long-term care community. They belong to our team of healing professionals who care for our elderly. Congratulations and more power to you!"
