

12" High Velocity Double Fan
Model RL-12DF

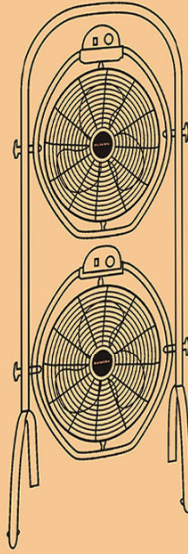

Reliable[™]

Model RL-12DF
8 3484 00012 1

MODEL RL-12DF
UPC# 183484000121
MADE IN CHINA
Distributed by Reliable[™] Trading Inc.
Bayamón, Puerto Rico 00961
Tel. 787-995-0180

Feel the difference.....

12" High Velocity
Double Fan

- Three Speed Control
 - Quiet Operation
 - Oscillating or Fixed Operation
- *Independently Controlled

MODEL RL-12TWF

Reliable
Air Systems

2000 RPM TECHNOLOGY

12" Three Way Fan

- Three Speed Control
- Powerful Air Full Oscillating or Fixed Operation
- Assembles As:
 - Pedestal
 - Desktop/Floor
 - Wall

- Three Speed Control
- Powerful Air Full Oscillating or Fixed Operation
- Assembles As:
 - Pedestal
 - Desktop/Floor
 - Wall

MODEL RL-18SF

Improved
18" High Velocity
Industrial Pedestal Fan

- Three Speed Control
- Quiet Operation
- Adjustable Height
- Sturdy Base
- Oscillating or fixed operation

Air Systems

Improved
18" High Velocity
Industrial Pedestal Fan

- Three Speed Control
- Quiet Operation
- Adjustable Height
- Sturdy Base
- Oscillating or fixed operation

MODEL RL-18IWF-B
Reliable Air Systems

MODEL RL-18IWF-B

18" Industrial Wall Fan

- Heavy duty motor
- High velocity
- Black grill
- Adjustable angle
- Three speed control
- Oscillating or fixed
- Aluminum blades

Air Systems

18" Industrial Wall Fan

- Heavy duty motor
- High velocity
- Black grill
- Adjustable angle
- Three speed control
- Oscillating or fixed
- Aluminum blades

MODEL RL-18PSF

Reliable
Air Systems

PREMIUM
18" High Velocity Industrial Pedestal Fan

- Superior Power
- Incremental Air Flow
- Ball Bearing Motor
- Quieter Operation
- Solid Base
- Adjustable Vertical Angle
- Oscillating or Fixed Operation
- Independent Motor for Oscillation

PREMIUM
18" High Velocity Industrial Pedestal Fan

- Superior Power
- Incremental Air Flow
- Ball Bearing Motor
- Quieter Operation
- Solid Base
- Adjustable Vertical Angle
- Oscillating or Fixed Operation
- Independent Motor for Oscillation
