

AmTrust North America strives to make it easier for you to efficiently conduct business. That's why we created ezArtisan, ezAuto, ezBOP and ezComp, our fast and simple-to-use online rating system right at our website. These convenient tools save time and provide you with greater cross-selling opportunities.

Writing business with AmTrust just got even easier – for you. By logging into AmTrust *Online* at our website (www.amtrustnorthamerica.com) with your secure user name and password, you can quickly provide your client with a quote for bind-online eligible classes that can be bound immediately in one of the below coverages.

Coverages

- Artisan Contactors General Liability
- Commercial Auto
- Businessowners' Policy
- Workers' Compensation

Highlights

- Online premium indications in seconds
- Immediate policy number
- Streamlined bind-and-issue process
- Risk clearance (FEIN check)
- Submission confirmation
- Step-by-step instructions at website
- Available 24-7

If the risk does not qualify for online binding, you can still easily refer the submission to your assigned underwriter from within the same rating for a quick one-on-one review of the risk.

Preferred Exposures

Eligible classes vary by coverage and state and can be reviewed by logging into AmTrust *Online*, clicking "New Quote" on the left side of the screen and selecting the coverage you desire from the drop-down menu and following the on-screen instructions.
