What's New in Version 2.6.1 Posted Mar 10, 2015

- We've made it easier to share a tilt by tagging friends (other Tilt users or people in your address book) to chip-in.
- 'Operation Sherlock' is complete, you can now search for a specific public tilt or for other users. "Grandma? I didn't know you were on Tilt!"
- Post images in replies. This one is pretty self-explanatory, just don't get all Brett Favre-y on us.
- Refer your friends to Tilt and earn cold hard cash (up to \$1,000).
- This app is now gluten-free.
