## Start

Describe your goal, upload a picture, and collect your first contribution in seconds!

### Set the Goal

Set your minimum goal ("tilt") – nobody's card will be charged until you reach it. You can also add a target to shoot for more.

### Collect

Our built-in sharing tools help you collect more money, faster. There's zero risk to your supporters, since they'll only be charged if you tilt.

### Tilt

Once everyone has paid their share, you can get the funds in one business day!

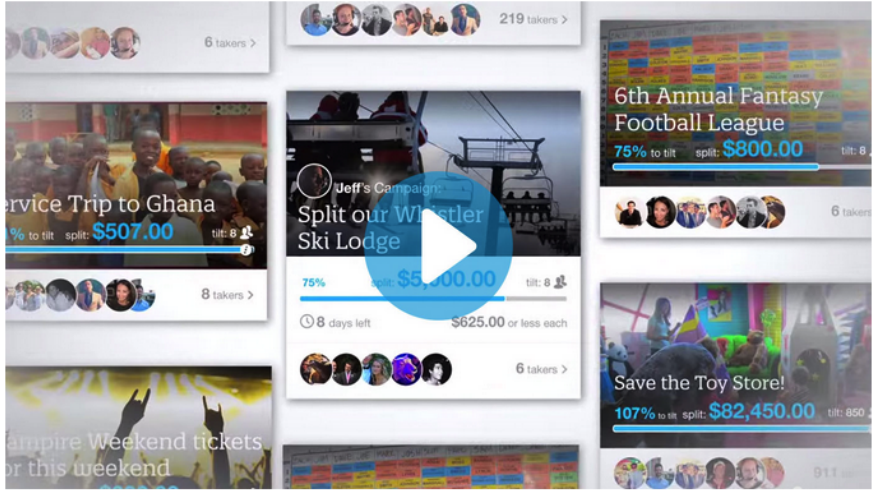

### Raise Even More

Continue collecting money past the goal until your campaign ends. The average tilt raises 192% of its goal!
