

# PEOPLE FIRST. IT'S THAT SIMPLE.

## Passion

OrangePeople is centered around a 'sense-and-respond' approach. This holds the key to delivering our fundamental organizational goal - Delivering Superior Customer Value.

"... I have not worked with a company so considerate and accommodating to its employees."  
- Fawne Littlehale,  
Sr. Consultant & US Army  
Veteran

"... The three month OrangePeople Fitbit challenge fuelled my competitive spirit and help me move to a healthy and active lifestyle"  
- Darius Wesley, Sr. Consultant & New Hiking Enthusiast

## Commitment

Our associates have been carefully picked based on stringent selection criteria. Absolute commitment to all engagements comes standard.

Even if it is a fitness contest.

## Fitbit Contest

The great OP Fitness Challenge.  
Three teams. Three months.  
One Winner.

## Competence

The team depth, breadth, vision, quality, and management speaks to the quality of services the team strives to provide. We take great pride in being organized, efficient, and quality conscious.

## Blog Mania

OP Blogging Contest Winner  
"Implementing Date Diff in Spark/Scala"

"Every company brags about valuing their employees, however, OP is the only place in my career where I have seen it in effect." - Sunita Koppar  
Big Data Architect & Spark Evangelist  
OP Blog Contest Winner

## Team Orange
