

# BUSINESS AND TECHNOLOGY INNOVATION. WARP SPEED.

## On the wire

### OrangePeople is now an Inc. 500 Company

"... I am delighted to inform you that OrangePeople has earned the position of 368 on the 2015 Inc. 500. You are in good company which is exactly where you belong."

- Eric Schurenberg, President & Editor-in-Chief Inc. Magazine

## TECHNOLOGY LEADERSHIP SERVICES

Our employees, clients, and partners collectively make us Southern California's fastest growing Technology Leadership Services company. With our combined IT Strategy, Enterprise Architecture, & Project/Program Management Service offering, we are realigning information assets across mid-large enterprises to accelerate Business Innovation.

### Our Philosophy

We believe that quality outcomes and value creation stem from the development of an empowered People. With Trust, Respect, and Collaboration, we believe that people make the biggest difference.

### Our Mission

To leverage technology to create outstanding business value for all our stakeholders, to pursue continuous innovation, and to go above and beyond our Superior Customer Value promise.

### Our Vision

To be the world's best Technology Leadership Services company.

WE LISTEN. WE ENGAGE. WE DELIVER.
