### Description

Comfy delivers comfort to your workplace.

With Comfy Mobile you can request instant streams of warm or cool air delivered directly to your workplace. Comfy also learns from your requests, and over time it can optimize workspace temperatures to make you more comfortable and reduce energy use.

Comfy only works in Comfy-enabled buildings.

Want to install comfy in your building? Email us at [info@buildingrobotics.com](mailto:info@buildingrobotics.com)

Note: For log in, Comfy must first verify an approved corporate email. Unfortunately, if your email address is not approved, you will not be able to log in to Comfy. Ask your office manager or building manager if you would like to install Comfy in your building.
