

THERE MIGHT BE MORE THAN ONE
ACCESS CONTROL PLATFORM,

BUT THERE'S ONLY ONE Vanderbilt SMS.

VANDERBILT

DELIVERING A POWERFUL, SINGLE-SOURCE SOLUTION TO MEET TODAY'S SECURITY NEEDS

Perfect for large, multi-site or global organizations, Vanderbilt's Security Management System (SMS) integrates a facility's access control technologies, digital video and alarm monitoring systems, making them easily scalable and flexible to meet security requirements today, while expanding to meet growing business needs in the future.

Vanderbilt's SMS single software platform allows users to manage alarms, photo ID badging, visitor management, elevator control, offline and online locks, advanced reporting and much, much more.

Vanderbilt SMS. Single-source, scalable security.
