*Product Code: WNLMAT*

**Description**

Our Practi-MAT® kneeling pad is a great solution for reducing knee pain and lower back stress when performing manikin training. Made of 1" thick closed-cell NBR (Nitrile Butadiene Rubber) foam. Minimal water absorption. Conveniently packaged 5 in a durable nylon carrying case. Pad Dimensions: 16" x 8" x 1"

Color: Black  
Case pack: 5 mats per pack | 4 packs per case
