Links to Interesting Websites

I think of this Link Page as my set of bookmarks – these are most of my favorite websites, that I enjoy visiting on a regular basis. With all due respect to the dozens of fantastic watch-related websites that are out there on the internet, I generally don't add a website to this Links Page unless I visit it on a regular basis and enjoy those visits.

TAG Heuer Resources

- TAG Heuer official [website](#), [Avant-Gardiste](#) blog, [Facebook](#) page and [Twitter](#) account

Facebook Groups -- Vintage Heuer

- [International Vintage Heuer Owners Club](#)
- [Heuer Chronographs and Motorsports Group](#)

Discussion Forums -- Heuer and other Interesting Ones

- [OnTheDash Vintage Heuer Discussion Forum](#) – the place to discuss vintage Heuer chronographs and dive watches. Also visit the affiliated [ChronoTrader](#) website, to buy, sell and trade vintage chronographs and other interesting watches.
- [Watchuseek's TAG-Heuer Forum](#) – This Forum focuses on the modern TAG-Heuers, with occasional discussion of the vintage Heuers. This Forum is part of [www.watchuseek.com](#), a portal of discussion forums, links and other watch resources.
- [VetroPlastica Vintage Heuer Discussion Forum \(Italian Language\)](#) – An Italian language discussion forum, dedicated to the vintage Heuers. The Italians love the vintage Heuers, and we see their passion on this forum. Postings in English are also welcomed.
- [TimeZone's Heuer / TAG-Heuer Forum](#) – Participants in this Discussion Forum focus almost entirely on the current TAG-Heuers, but there are occasional postings about the vintage Heuers. This Forum is part of [www.timezonewatches.com](#), a huge portal of discussion forums and other information.
- [Omega Watch Forums](#) – Covers vintage and modern Omegas, and also has forums for other brands. Excellent information dedicated to [Zenith](#) and [Universal Geneve](#).
- [ATG Vintage Watch Forum](#) – A general watch forum, as well as boards dedicated to Bremont and Lemania.
- [Military Watch Resource – Main Discussion Forum](#) – This Forum covers the full range of military watches, and there are frequent discussions of the military Heuers – Bundeswehr (BW), Israel Defense Forces (IDF), Italian Air Force (AMI), and others. This Forum is part of [www.broadarrow.net](#), where you will also find a classified area of watches for sale.
- [PuristSPro](#) – No Heuer Forum here, but PuristSPro and its forums cover Omega, AP, A. Lange & Sohne, Patek Philippe, Glashutte Original and several more of the "high-end" brands. There is also a [Collectors Marketplace](#) to buy / sell / trade these types of brands and the [Horological Meandering](#) forum.
- [Vintage Rolex Forum](#). – Nothing but vintage Rolexes here, but I admire a good watch forum, whatever the color. From the discussion forum, you can also visit their Vintage Rolex Market, vintage Rolex dial archive, and Rolex number project. There are often discussions of the state of the market for vintage watches.
- [Some other discussion forums](#) – [TZ-UK](#) – [Watch Talk](#)

Blogs and Websites Focusing on Heuers

- [HeuerChrono.com](#) – A new site (November 2013) focusing on the Heuer Skippers and other sailing watches
- [Calibre11.com](#) – David Chalmers (HK) offers views and opinions of both Vintage Heuer and the newer TAG Heuer
