ABOUT US

On The Spot Mobile Detailing has grown from one man's persistence and passion powered by only a single van and a cell phone to one of the largest mobile detailing companies in the country. Servicing Columbia / Howard County to Annapolis, Silver Spring to Frederick, Baltimore to Washington DC, and everything in between, On The Spot provides outstanding customer service and quality detailing at an affordable price.

Our services have expanded from mobile units to include a fixed location at 9110 Red Branch Rd in Columbia, MD and a remote location at Maryland Live Casino in Hanover. We now offer more than our premium detailing services like auto upholstery cleaning, leather cleaning, car waxing and polishing. We also offer [headlight restoration](#) specialty [paint correction](#), and protection services. For other services like hand car washing, tint installation, audio installs, and Plasti Dip, we have partnered with [Pro Wash Auto Spa](#) at the same location so we can be your one stop auto appearance, protection, and enhancement shop.

Our Mission

To provide quality auto, marine, rv, and motorcycle detailing services with personal care at affordable prices. We promise to stay up to date with industry advances and exceed it's standards. To treat each customers vehicle as if it were our own.

Testimonials

Would I use them again? Oh yeah. I can see why they have such a high ranking on Angie's list as well as with the BBB. As great as their work is, it's the customer centered service with a smile and we-want-to-see-a-smile-on-your-face-when-we're-finished attitude that everyone demonstrated that really impressed me. Someone has extended a good deal of effort and training to be sure that everyone involved is enthusiastic about the job they do. Detailing vehicles could easily be seen as a mundane type of task, but these guys elevate it far above that level - they take pride in their work, as well they should. To achieve the results that they get takes not only hard work, but skill and quality products.

Angie's List Member

The workers were prompt and courteous. They spent several hours thoroughly cleaning, washing and polishing both cars in our driveway. The results were well beyond expectations. We especially appreciated the added convenience of having the service performed at our home.
