The CircleBlack App

CircleBlack is a mobile personal wealth management technology that puts your whole portfolio at your fingertips. Sending you alerts when your finances are affected and personalized Insights based on your portfolio so you have more knowledge about your money. CircleBlack watches your wealth so you can live your life.

BIG NUMBER
Everything you have in one place. All your accounts, your work 401(k), even your Paypal. We pull it all together.

PERFORMANCE
You can always see how you are doing. Track your whole portfolio, group accounts into goals or track individual accounts.

WATCH IT
Worried about interest rates, China, the last market drop or any other financial issues? We watch what you have and if there is something you need to know; we'll send you

BE IN THE KNOW
Short, digestible content from industry experts selected just for you based on your portfolio and expressed needs. Know more about what is
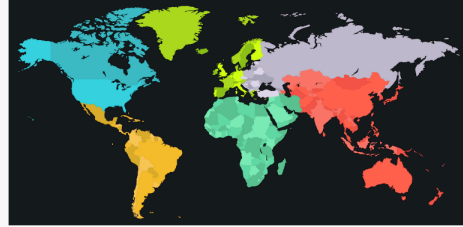

TRACK YOUR GOALS
Set long or short-term goals. We will let you know if something changes or if you drift off track.

All this on a **5-STAR RATED APP**. Check in on your finances when it's convenient for you.

DOWNLOAD THE CIRCLEBLACK APP TODAY

Heard about how the market dropped in the news?
