## Powerful Results. Delivered.<sup>SM</sup>

AEGIS.net, Inc. (AEGIS) is a certified small business and premier provider of Information Technology consulting services to Federal Civilian, Defense, and Commercial sector clients. AEGIS is a quality process driven organization, rated Maturity Level 3 in both CMMI-DEV v1.3 and CMMI-SVC+SSD v1.3 as well as ISO 9001:2008 certified. We provide technical and subject matter expertise in the areas of comprehensive systems and business process analyses; information technology modernization and transformation; and financial, health care, regulatory compliance, logistics, and human resource systems. Our service offerings include:

- Project Management and Methodology
- Software Functional and Performance Testing
- Application Design and Development
- Independent Verification and Validation (IV&V) and Technical Analysis
- Organizational Performance/Process Improvement

Since 1996, AEGIS has provided trusted advisory leadership and support to our customers. Our objective is to help our clients achieve their goals by transforming business needs into technical results. Our mission is to ensure the long-term success of our clients by making certain that every dollar invested in our services is a wise and solid investment in the future of their business. How do we do that? We invite you to explore our site and contact us to learn how we can deliver powerful results to your organization.
