### AEGIS Wins ACT-IAC Innovation Award

3 May. 2017 in [News](#) tagged [ACT-IAC / IHL / innovation / Interoperability / Touchstone by Ellen Wylly](#)

AEGIS' Developers Integration Lab was awarded the 2017 ACT-IAC Igniting Innovation "Dynamite Award" in the category of Transformer. From a pool of 116 original candidates, 30 finalists presented to a panel of judges on April 26 at the Reagan Center in Washington, DC, and we were one of the four "Dynamite" awardees. [...]
