

See what sets us apart.

The Intrepid7

INNOVATION

We provide innovative solutions that best fit you.

CLARITY

We listen first to ensure clarity in our communication.

OWNERSHIP

We pride ourselves in taking ownership in every situation from start to finish.

COMMUNITY

We foster lasting relationships within our community.

POSITIVITY

We approach every opportunity and challenge with a sense of positivity.

PURPOSE

We fulfill our purpose when we provide guidance and support for others.

RESPECT

We show respect and honor in every relationship.

"LaToya is always professional and personable and extremely helpful to this process. We understand that there is a tremendous amount of information gathered during [the renewal] process and that it takes time to request, review, and compile. LaToya has done this successfully for us year after year. We are very confident in information that LaToya provides and the work that she does on our behalf."
