

Getting into college should be just  
as much fun as being there.

Let us help you get accepted.

### What is myOptions?

myOptions was created by a group of former college counselors and combines the unique features of Admittedly and myCollegeOptions into a new, exciting platform for students applying to US universities. We believe that students in all places regardless of income should have access to FREE college prep tools and created myOptions to help you navigate all things college prep and improve your chances of getting accepted to your dream school.
