## Take Playtime to the Next Level

The fun never has to end with Hyper Pet's exclusive line of top-quality dog toys. Their unique, award-winning lineup includes all sorts of toys for all sorts of play—whether your pup's in the mood to chew, start a tug-of-war session, bolt after a high-flying ball, or squeak the day away. Get ready for an epic playtime with your four-legged best friend!

## A Whole New Ball Game

With Hyper Pet, a game of fetch is never the same old routine of throw, run, retrieve. These toys are made not just to fly, but to soar through the sky, higher and farther than the average fetch toy. You'll get in some quality hang-out time with your pooch, and he'll never want the game to end.

levels of excitement. The K-9 Cannon shoots tennis balls up to 75 feet, and the Ball Launcher can go up to 220 feet for triple the challenge.

RealTree Flippy Flopper disc. Slingshot a flying animal bungee toy or hurl a Gnarly Gnaws toy—they all float, so they're great for the beach, lake or pool.

## Canine-Approved Chew Toys

Your furry friend will have a chomping good time with Hyper Pet's variety of durable chew toys. For dogs that love to make themselves heard, Hyper Squawkers and Dura-Squeaks are number one picks. Chewing fanatics can gnaw away at ultra-strong foam Hyper Chews, the teeth-massaging Dent-A-Tug, delicious Flav-A-Bones, or the Tennis Chewz that doubles as a fetch toy.

## Soft Toys for Playful Pups

If your dog's guilty pleasure is plush or fabric toys, Hyper Pet has plenty of options. Whether he's into squeakers, crinkling noises, several different textures, stuffing-free, lightly stuffed, plush or those made for fetching, he'll have his choice of irresistible soft toys for indoor play sessions. There's even

#### Not hammer friendly

By BanetheGSD on May 31, 2017

The swivel works great, but the hammer-able piece broke after the third hit from a rubber mallet. Luckily I was still able to get it into the ground without. Going to have to contact the makers.

#### Smooth sailing so far

By Awesomepawsomemom on May 29, 2016

I've got a LGd more specifically an Ovcharka pup, who is strong as a bull. This has kept her, when I have to keep her tied, very well so far.

#### Works great

By LarryP on Oct 28, 2015

Works great. No tangles and had no problem putting in ground. But as another reviewer said cant figure out where to get extra sleeves, but at this price will just probably buy another complete one.

reading the dicription. A great idea but needs some improvements. Was unable to get it below lawn mower depth without completely destroying it. Also, I see nowhere to buy the extra sleeve as explained in the description.
