Why Choose S³ As Your Partner?

S³ brings unique custom solutions that evolve with our customer's needs.

S³ has an outstanding track record providing quality resources to domestic customers in your vertical.

S³ can provide guidance and established processes in mitigating co-employment risk.

S³ provides a dedicated, highly experienced executive and local account team with 25+ years of experience.

S³ has financial stability that allows us to scale and grow with your needs and allows flexibility to develop customer-specific invoicing methods.

S³ is a leader in the nation for best practices in the staffing Industry.

S³ is a global partner that supports your supplier diversity initiatives.

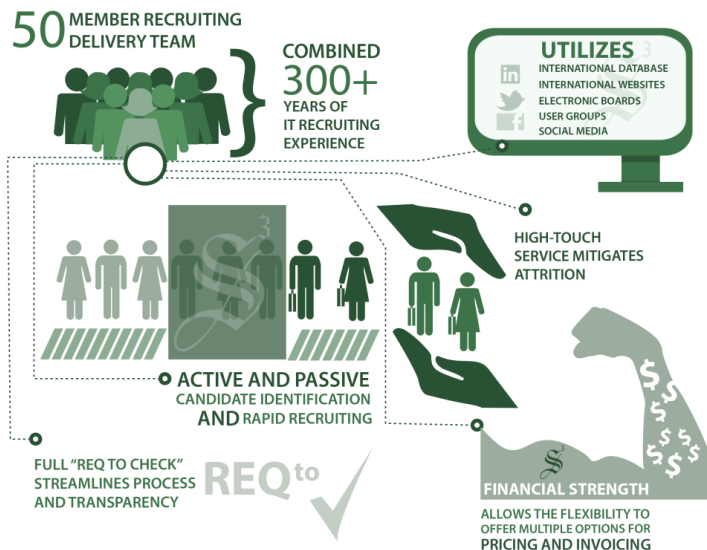

S³ believes in supporting the communities in which we do business.
