## ICON PERFORMANCE GAMING SHORTS

\$35.99 USD ★★★★★ 2 Review(s)

Developed with input from top eSports teams, our Icon Performance Gaming Shorts are made with innovative DRYV® Technology. DRYV blends high-performance moisture-wicking fabrics with an absorbent outer layer, allowing gamers to easily dry hands and stay cool while improving accuracy and control.

| <b>PHRAWG</b><br>04-06-2017<br>13:12                | <b>AMAZING SHORTS.</b><br>These shorts are by far the nicest shorts I have ever had. Never have I worn a more comfortable pair of shorts. The pockets are more in front than to the side which is perfect while seated during a break in gaming. The spots for drying your hands also wor... <a href="#">more</a> | Overall Rating: |                                     |
|   | 3  3<br><a href="#">Reply</a>   |                 |                                     |
| <b>NOHJAWLS</b><br>09-21-2017<br>17:05              | <b>YOU NEVER KNOW</b><br>When you need something until you have it. And these shorts with the side areas for wiping off sweat are sheer genius, and why you NEED these. (Altho wiping Cheetos might not be pretty). Fits great and good construction. Definitely worth it.  | Overall Rating: |                                     |
