Blake Lively and Taylor Swift have been close for a while now, but their friendship took on new meaning when Taylor featured the voice of Blake's daughter, James, on one of her songs. And over the weekend, Blake and husband Ryan Reynolds had the chance to hear their baby's voice when they were at one of Taylor's stops on the Reputation tour, and OMG — their reactions are the cutest.

In case you didn't already know, James is the little girl talking at the beginning of the song "Gorgeous" from Taylor's latest album. Before she performs the song on tour, her voice plays every night, and this is obviously a big deal to her parents. Blake and Ryan were in the audience at Gillette Stadium in Massachusetts on Saturday night, and a concertgoer captured their reaction when they heard James in all her glory.

The second Taylor starts introducing the song, Blake whips out her phone, like any mom, to film the show, and when she and Ryan hear James say "gorgeous," they both completely lose their minds, jumping up and down and screaming. It's the most wholesome reaction you could expect from this unstoppable mom and dad duo and you definitely need to see it. There's a very good chance it'll make your whole day.

Other fans at the concert also pointed out that Blake and Ryan were hanging out with **Gigi Hadid** at the concert, which makes total sense since she's also one of Taylor's BFFs. Sadly, unlike James, Gigi is not featured on *Reputation*, but she has been spotted at more than one of the shows on tour this summer so far.

This isn't the first time that Blake, Ryan, and Taylor have shown their love for each other in their work. In fact, if you saw *Deadpool 2*, you probably noticed that at one point, Ryan's character was wearing a t-shirt featuring Taylor's cats, Meredith and Olivia, which allowed them to make their big screen debut. Pretty sweet, right? Seems like a fair trade for Taylor using their kid's voice on her album.

It's kind of cool to see Blake and Ryan out there, acting like any proud parents would. We know they're totally normal people, despite the fact that they're both massive celebrities, but it's nice to be reminded of that. We just hope that James hasn't let all this fame get to her head.
