Model Name: Z978

A head above other smartphones in its class, Blade V8 Pro comes built with next-level features, is exquisitely designed and delivers exceptional value for only \$139.98.

- **Dual Camera:** A feature typically not found on affordable smartphones, two 13MP rear cameras offer more choices when editing photos, including the popular Bokeh effect.
- **Fingerprint Sensor:** A fast-detecting and accurate fingerprint sensor located on the home button of the phone bridges security and ease of use.
- **Battery:** The large 3140mAh battery is designed to handle all your social media, texting and web-surfing needs. With Qualcomm® Quick Charge™ 2.0 and battery optimization capabilities, the Blade V8 Pro can last all day and charge quickly when you need it.
- **Large Screen:** 5.5 inch Full HD display with Gorilla Glass 3.0 allows you to maximize your viewing experience for streaming movies, watching TV shows, playing games and more.
- **Powerful Processor:** Powered by the Qualcomm® Snapdragon™ 625 processor with X9 LTE, the Blade V8 Pro can handle all your surfing, streaming and swiping needs.
- **Expandable Storage:** Choose either a second SIM card or microSD up to 128GB to expand storage, never needing to fear limits.
- **Dual SIM:** Also often not found on affordable smartphones, the dual SIM slot allows users who travel the ability to switch carriers as needed.
