

# Reverb Payments

Sell more while saving money

## Reverb Payments

FORMERLY DIRECT CHECKOUT

Make it simple and safe for buyers to purchase from you, no matter what payment method they prefer.

Reverb Payments allows you to safely accept the most popular payment methods and receive funds directly in your bank account. It leads to higher sales, saves you money, and provides an overall better experience.

### Give buyers what they want

Enable buyers to pay with credit and debit cards, PayPal, Apple and Google Pay, Reverb Bucks and gift cards\* and other preferred payment methods. You can even offer [financing options](#).\*

### Keep more of your money

It doesn't cost anything to opt in to Reverb Payments, and our simple straightforward fee structure can be up to 25% less than PayPal.

### It's simple and safe

Buyers no longer need to leave the site to log into PayPal. Our system is secured and encrypted with around-the-clock fraud detection processes to guarantee your transaction is safe and secure. Plus, all transactions made through Reverb Payments qualify for [Reverb Protection](#).

### Control your funds

We'll deposit all sales directly into your bank account in your local currency, no matter how buyers pay. Want your money even faster? Enable Reverb Bucks\* and receive payouts immediately upon shipment of a sale. Plus, get a 1% discount on purchases.

## Why Use Reverb Payments?
