Screenshots iPhone iPad

123Pet is an easy to use groomer appointment scheduling app for pet grooming business owners, employees, and independent contractors that let's you manage your grooming business on the go. Try our free 14 day trial. Paid subscription required after free trial ends or simply cancel during the trial and you will not be billed for anything.

EASY-TO-USE APPOINTMENT BOOK

Quickly flip through days on your calendar, view and schedule appointments, and book time blocks to mark yourself off the appointment book. 123Pet is a great grooming scheduler app for any size pet business, and pet grooming business owners and managers can even check out the appointment schedule of any of the employees at the business.

EASILY MANAGE CLIENT AND PET INFO

View your clients' pets' grooming or medical notes, see what products and services the client has purchased in the past, all their upcoming appointments, send them a quick text or e-mail right from the app, or even get a map to their address if you're a mobile pet groomer. 123Pet is a useful pet grooming client manager and makes it easy to keep up-to-date and in contact with all of your pet salon's clients.

ONLINE APPOINTMENT BOOKING

Create a completely customized website for your business and allow clients to request appointments through your website or Facebook page. You'll automatically be notified of new appointment requests in the app and once you accept or reject the request, 123Pet will handle notifying the client by e-mail.

CREDIT CARD PROCESSING

Process credit cards right from your iPhone. You can swipe cards using a convenient mobile credit card reader, or type in credit card information to process credit card or debit card transactions. Even e-mail a receipt when you're done!

MANAGE TIME BLOCKS

Not just a pet salon grooming scheduler, you can block out time on your calendar to let everybody at the business know when you're not available. The appointment book is always in-sync, so everybody will instantly know your availability.

PRODUCT SALES AND INVENTORY

Manage your product inventory, and even sell products to clients right on your iPhone or iPad. Inventory is maintained automatically as products are sold, so you can always know how much retail product you have in the business at any time.

OVER 25 REPORTS

Check your total sales, employee percentage booked, product inventory levels, and more right from your phone. We've included over 25 comprehensive business reports to make running your pet grooming business from anywhere a breeze.

OTHER FEATURES

- View your appointment book schedule, and even create or modify appointments on your calendar
- Close tickets with any payment type, including credit cards
- Add, modify, and remove clients
- Add, modify, and remove pets
- View, accept, and reject pending appointment requests

Very Nice!

I love that I can get to the appointment book while I'm away from the computer. There is one minor fix that I wish could be done. While looking at the clients history and upcoming [more](#)

Will not purchase

This software is not worth purchasing due to multiple reasons. First, the 30 day trial ended for me in just one week. Second, customer support was nagging for 3 to 4 days [more](#)

Grroming Tails, 08/27/2018

Love This Software

123 Pet makes my daily, busy doggie work life, just that much easier. I have always used softwares my entire dental profession & now that I have changed professions to work [more](#)
