MORE BUSINESS MANAGEMENT TOOLS

Security

InkBook keeps track of everything that happens

Client Management

Design a loyalty program, track purchases, and

with your information and even backs it up automatically for you. You decide who sees what by controlling permission to every feature in the software.

more

store photos and notes to provide an unforgettable studio experience for your clients! Never lose touch with e-mail and text messages sent right from your software.

more

Point-Of-Sale

Check out is effortless with integrated credit card processing and barcodes on all your products. Coupons and gift cards are easy to create and even easier to scan when clients redeem them. They'll boost your growth instantly!
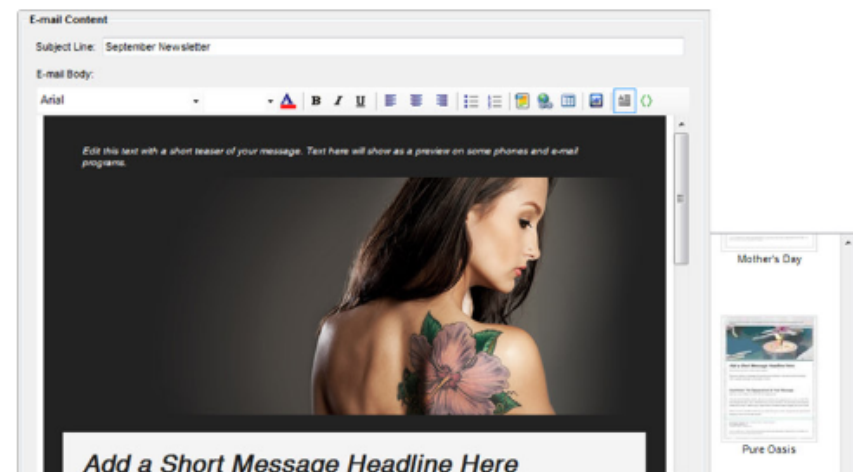

more

Reporting

Comprehensive and detailed reporting is important in order to make informed decisions that positively impact your business. With over 200 reports to choose from, you can be sure, whatever the metric, InkBook has what you're looking for.

more

Automated Marketing

Getting promotions to the right clients at the right time has never been easier. Recurring campaigns will ensure you never miss a birthday or anniversary and just pick a date for an e-mail blast and we will remember to send it for you! Automated marketing is just another example of the powerful studio software features found in InkBook.

Effective Targeting

Completely customize campaigns and target clients based on dozens of criteria. Analyze which campaigns are working best with powerful referral tracking and reporting tools!
