**Declaration**

Read the following statements before signing. Acknowledge the statements by signing below.

• **BASIS:**

**If the applicant is filing the application based on use in commerce under 15 U.S.C. § 1051(a):**

- The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
- The mark is in use in commerce on or in connection with the goods/services in the application;
- The specimen(s) shows the mark as used on or in connection with the goods/services in the application; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

**And/Or**

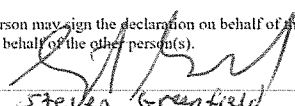

**If the applicant is filing the application based on an intent to use the mark in commerce under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e):**

- The signatory believes that the applicant is entitled to use the mark in commerce;
- The applicant has a bona fide intention to use the mark in commerce on or in connection with the goods/services in the application; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

- To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.

**Signature Section:**

**NOTE:** The same person may sign the declaration on behalf of the other joint applicant(s), by merely making identical entries. The USPTO will presume that the one person who has signed was, in fact, authorized to sign on behalf of the other person(s).

Signature:   
 Signatory's Name: Steven Greenfield  
 Signatory's Position: Chairman  
 Signatory's Phone Number: 212 242 4070

Date Signed: 7/13/18

**NOTE TO APPLICANT:** When filed as part of the electronic form (i.e., scanned and attached as an image file), the signature page **must** include both the signature information **and** the declaration language. Do not include the entire application, but do ensure that the declaration language actually appears; a signature by itself will **not** be acceptable. If, due to browser limitations, the declaration language appears on a previous page when printed, you must "merge" the declaration and signature block onto a single page prior to signing, so that the *one complete page* can be scanned to create an acceptable image file. It is recommended that you copy-and-paste the entire text form into another document, manipulate the spacing there to move the declaration and signature section to a separate page, and then print this new version of the text form to send to the signatory.

**IMPORTANT INFORMATION FOR APPLICANT:**

**No filing fee refunds**

Once your application is submitted, the USPTO we will not cancel the filing or refund your fee. The fee is a processing fee, which the USPTO does not refund even if a registration is not issued after substantive review of the application. This is true regardless of how soon after submission you might attempt to request cancellation of the filing.

**All information submitted made public**

All information submitted to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. Please be aware that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view the information in the USPTO's on-line databases and through internet search engines and other on-line databases and may use this information to contact you directly. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

**Review of application**

Registration is not automatic or guaranteed. A USPTO examining attorney will review your application approximately three months after the filing date for compliance with all legal requirements. This may result in a letter (an "Office action") being issued that will require you to submit a response within a strict time deadline, even if a filing company has filed the original application on your behalf. Failure to submit a timely response will result in the abandonment of your application.
