

Le Caprice

recognized for our natural anti aging treatments, Le Caprice is a brand synonymous with wellness transformation and results-driven Age Management.

For over 5 years, our store has led the pack when it comes to cutting edge technologies, anti aging facials, as well as offering a high level of service to the entire southern Ventura county.

The store also offers an ever-expanding line of anti aging products that will help maintain non-surgical treatment results.

Our staff dedicated following is a result of their high level of investment in the non surgical face lift program, as well as customized Age Management regimes, cutting edge technologies. Their first priority is helping guests on their journey to total body rejuvenation.
