Robot Heart is a community and a family, and our events at Burning Man, in New York and around the world are an extension and celebration of that community, bound together by shared values of inclusion, giving, environmental responsibility and mutual respect.

Music is our first language, and our mission is to bring love and beats to the world. We work with and support artists, technologists and visionaries of all types in order to create incredible experiences and connected moments. To create love and beats, for you.
