## WE LOVE YOUR GENES

What becomes a model most? Many aspiring models attend open calls, submit headshots and portfolios online, enter pageants, or ask “Do I have what it takes?” Well, we’ve heard you, and we’re here to help you accomplish your wildest dreams!

Introducing @WeLoveYourGenes (#WLYG), the new Instagram scouting account from @IMGmodels dedicated to finding new modeling talent around the world!

No matter your heritage, parentage, or background, We Love Your Genes. We’ve already signed nearly one dozen girls, and we are currently working to develop their careers. Follow us @WeLoveYourGenes on Instagram as we tell their stories, and you might get discovered yourself!
