## Road Trip: Apply for a visit

Bring the magic of The Ecology Center to your community.

by [The Ecology Center](#) — December 21, 2017

DONATE

Michelle Montgomery Photography

Our holistic approach to change-making is based on our core belief that we are a part of nature, intimately interconnected with each other and our shared environment. Through daily action, we can transform our communities into vibrant spaces.

At The Ecology Center, we work to inspire communities around creative solutions that empower individuals everywhere to be part of the solution. Together, we can create a healthy, abundant future.

### WHERE CAN ROAD TRIP GO?

- Elementary, Middle and High Schools (Public, Private & Charter)
- Farm-to-Table dinners
- Ecological workshops
- Restaurant pop-ups
- Festivals & Farmer's Markets
- Corporate Events

### Road Trip Inspires

This 32-foot double decker bus acts at The Ecology Center on wheels. Equipped with interactive displays, a kitchen classroom, hands-on DIY stations, and everything needed to host a community celebration, it allows us to bring our transformative, educational programming off our property, and into communities near and far.

#### APPLY FOR A VISIT TO YOUR SCHOOL

Transform your school or university into an ecological oasis with an on-campus field trip. Click below to apply to bring Road Trip to your school.

*Road Trip is fully committed for the 2018/2019 season. Please check back soon to find out when applications reopen.*

#### COMMUNITY AND CORPORATE EXPERIENCE

Engage your community in hands-on experiences at your next community gathering! Inspire your team and showcase your community responsibility with DIY workshops and a shared meal at your next corporate function.

Experience the transformative ecological experiences aboard Road Trip and inspire your community and

- Film screenings
- Community Gatherings
- Summer Camps & After-school programs
- Universities
