Welcome to $HealthLink^{\mathrm{TM}}$

Improve Outcomes. Lower Risk/Cost. Increase Profitability.

Actionable Information not Data - Timely Delivered According to YOUR needs.

Starting at \$2/day, reimbursed by Medicare and Medicaid for qualified patient populations, HealthLinkTM is a next-generation Patient Insight and Engagement platform designed to reduce patient ED presentations, Hospitalizations, Admissions and ACH through low-cost, non-invasive patient engagement, rule- and Machine Learning driven insights delivered proactively to Providers, Caregivers, Family Members and Payers.

How Does it Work? HealthLink™ Connect has three elements: (1) The Patient: (2) Insight Analysis: and
