# System Setup > Manage Surveys

The Manage Surveys section is where the surveys are set up and the questions configured.

Note: Since the surveys are already set up and tied into the dynamic reporting, the only edits that should be made here are for making minor adjustments to the question verbiage.

The screenshot displays the 'Manage Surveys' interface. On the left is a sidebar navigation menu with the following items: Dashboard, Patients, Clinicians, Staff, Directors, Clinics, Appointments, Reports, System Setup, and Manage Surveys (which is highlighted). The main content area is titled 'All surveys' and features a green 'Create new survey' button in the top right corner. Below the title is a table with two columns: 'Full Name' and 'Description'. Each row in the table includes a 'Duplicate' button in the rightmost column.

| Full Name                | Description                                       |                           |
