

Oasis Water Park in Phoenix

Make a splash at our impressive Phoenix water park!

Voted by the Travel Channel as one of the country's Top 10 Water Parks, Arizona Grand Resort & Spa's expansive, wild and fun Oasis Water Park has something for kids of all ages, making it perfect for your next family getaway.

Built across 7 acres, this premium water park boasts huge water slides, a giant wave pool, a 25 person hot tub, the Valley's only side-by-side active river, and Wild Cat Springs which is perfect for younger children. One of our most exciting attractions is the eight-story Slide Canyon tower, featuring three exhilarating water slides, perfect for the adventure seeker.

If you prefer to kick back and relax by the pool #GrandStyle, you can reserve one of our luxurious [private cabanas](#). You will feel like you have retreated to your own little tropical oasis, though you will only be steps away from all of the action and adventure of the pools. Take in the views of the glistening clear water, the sound of nearby waves and the cool breeze from your personal air cooler, all from the privacy of your own cabana.

When you want to take a break from all the fun and action you can enjoy some delicious poolside refreshments from the Oasis Bar & Grill. Relax with a drink or indulge in yummy appetizers, flavorful burgers, crisp salads and refreshing ice cream before heading back into the pools to cool off.

With the abundance of activities to enjoy, it's no wonder we are one of the most popular Phoenix resorts with a water park. Don't forget to try our other amenities including our [golf course](#) & revitalizing [spa](#) during your stay.
