Community is at Our Core

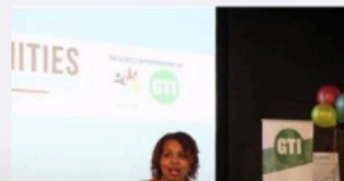

We Are Dedicated to Giving Back to the Communities We Call Home

Our founding team has philanthropically donated to, and led, numerous organizations that support those who need it most and we aim to identify, operate and serve in communities where we can deliver the most substantial economic impact.

Organizations We Support

Since its inception 25 years ago, The Cara Program has placed more than 5,300 individuals in quality jobs and continues to advocate on behalf of

The African-American Chamber of Commerce of Central PA encourages, empowers, and promotes economic development and growth in African
