Turmeric Detox Balance™, Mo
Detox®, Body Balance

Research is an important part of our product development process. We naturally cleanse, detoxifying and adapting to the normal changes and challenges of our lifestyle and environment. For many, best results will come with increased strength and regular consumption of a variety of herbal tea formulas to support the body and its natural detoxifying process.

TADIN Lifestyle Awareness® Teas packaging is environmentally friendly.

This box is made from FSC™ paper. We encourage and support FSC and its mission to promote environmentally appropriate, socially beneficial and economically viable management of the world's forests. Learn more at www.fsc.org. This package is recyclable.

Our tea bags are manufactured using Totally Chlorine Free (TCF) methods and this packaging is printed with soy ink.

To use tea bag,
pull the tag
upwards and the
string will readily
come out from
inside the tea bag.

Para usar la
bolsita de té, jale
de la etiqueta
hacia arriba para
que el hilo salga
de la parte de
adentro.
